

Dear CCA Family,

We are blessed to share another amazing year with you!

We are now accepting enrollment for the 2022-2023 school year for Kindergarten - 8th grade. When your student enrolls with CCA they can complete their education (they will graduate high school with CCA.) As long as the student starts with CCA before their 9th grade year. The Lord has greatly blessed our school this year and we are grateful to have your family a part of what the Lord is doing in our school.

Below you will find a checklist for student re-enrollment:

- Completed Registration Form
- Non-refundable registration fee
- Up to date Immunization Records or Current Notarized Exemption

In order to efficiently plan for the fall, we ask that you return your registration packet and registration fee by May 1, 2022.

If you have any questions, please contact the school at any time via phone or email. We look forward to seeing you again this fall.

Sincerely,  
Nichole Monroe  
Headmaster, Carbon Christian Academy
